

VILLAGE OF ANTIOCH'S Parks & Recreation Dept.

In-line Skating Skateboarding BMX Bike Park Waiver

Important Information

The Village of Antioch is committed to conducting its recreation programs and activities in a safe manner and holds the safety of participants in high regard. The Village of Antioch continually strives to reduce such risks and insists that all participants follow safety rules and instructions that are designed to protect the participants' safety. However, participants and parents/guardians of minors registering for this program/activity must recognize that there is an inherent risk of injury when choosing to participate in skating/biking activities.

You are solely responsible for determining if you or your minor child/ward are physically fit and/or adequately skilled for skating activities. It is always advisable, especially if the participant is pregnant, disabled in any way or recently suffered an illness, injury or impairment, to consult a physician before undertaking any physical activity. Before any skating/biking activity, please read all facility signage and follow all posted rules and regulations.

Warning of Risk

Skating/Biking activities are intended to challenge and engage the physical, mental and emotional resources of each participant. Because skating/biking activities are high-risk, despite careful and proper preparation, instruction, medical advice, conditioning and equipment, there is still a risk of serious injury, including but not limited to head injury, neck and back injury, and bone and joint injury. Specific risks and dangers include but are not limited to striking an irregularity in the riding surface, losing balance, unsuccessfully performing stunts, loss of control, colliding with other skaters/bikers or stationary objects, attempting a maneuver beyond one's skill level, acts of God, inclement weather, lack of safety equipment, inadequate or defective equipment, failure in supervision or instruction, and defects in the skating surface or adjacent property. Therefore, all participants are required to wear personal protective equipment and to inspect all facility equipment and skating surfaces prior to engaging in skating activities.

Waiver and Release of all Claims and Assumption of Risk

Please read this form carefully and be aware that in signing up and participating in this skating/biking program/activity, you will be expressly assuming the risk and legal liability and waiving and releasing all claims for injuries, damages or loss which you or your minor child/ward might sustain as a result of participating in any and all activities connected with and associated with this program/activity.

I recognize and acknowledge that there are certain risks of physical injury to participants in this program/activity, and I voluntarily agree to assume the

full risk of any injuries, damages or loss, regardless of severity that my minor child/ward or I may sustain as a result of participating in any and all activities connected with or associated with this program/activity. I further agree to waive and relinquish all claims I or my minor child/ward may have (or accrue to me or my child/ward) as a result of participating in the program/activity against the Village of Antioch, including its officials, agents, volunteers and employees (hereinafter collectively referred as "Parties").

I do hereby fully release and forever discharge the Parties from any and all claims for injuries, damages or loss that my minor child/ward or I may have or which may accrue to me or my minor child/ward and arising out of, connected with, or in any way associated with this skating program/activity.

I have read and fully understand the above important information, warning of risk, assumption of risk and waiver and release of all claims. If registering on-line or via fax, your on-line or fax signature shall substitute for and have the same legal effect as an original form signature.
